DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication, filed on 11/12/2003, is non-responsive to the prior non-responsive letter, mailed 10/28/03/2003, because several hyperlinks are still active. The hyperlinks on page 6, line 15 (expasy.org), page 7, line 17 (glycosuite.com); page 8, line 6-7 (pir.georgetown.edu/pirwww/search/textresid.html); page 9, line 12 (expasy.org); page 12, line 18-19 (npsa-pbil.ibcp.fr/cgi-bin/npsa_automat.pl?page=npsa_prosite.html); and page 13, line 1 (expasy.org/cgi-bin/prosite-list.pl) of the last communication are still active. One way to get rid of these hyperlinks is to do the following: mention the first word or phrase in the web address and then separate it from the remainder of the web address with the words "with the extension" (fill in the rest of the extension).

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1989). The CM1 Fax Center number is (703) 872-9306.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carolyn Smith, whose telephone number is (703) 308-6043. The examiner can normally be reached Monday through Thursday from 8 A.M. to 6:30 P.M. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Woodward, can be reached on (703) 308-4028.

Any inquiry of a general nature or relating to the status of this application should be directed to Legal Instruments Examiner Tina Plunkett whose telephone number is (703) 305-3524 or to the Technical Center receptionist whose telephone number is (703) 308-0196.
